

Norfolk Local Council Clerk Mentoring Programme 2019–2020

Volunteer role and network

Supporting local council clerks and councils to benefit from developing and sharing skills, knowledge and network

Join our new network and develop the Local Council sector across Norfolk

We are looking for volunteers with ideally least five years' local council experience, CiLCA qualification and a passion to share good practice with others in the sector. We ask for about a half a day a month. That's 30 hours or more volunteering a year at time and place to suit. You may already be doing quite a bit towards this!

Meet new people and share your professional knowledge

Support three local Parish Clerks that would like to develop their knowledge and learning. Meet with these Clerks at least once, and then provide a regular contact by phone or email for a period of 12 months.

Promote this mentoring programme and encourage networking by organising three informal Clerk "coffee meet-ups" in a local café. A member of Norfolk ALC or SLCC Norfolk will support you at these meet-ups.

Induction training event – Friday, 7 February 2020, Norwich

Develop the confidence to mentor new and existing Parish Clerks

Please get in touch with me, Programme Co-ordinator – Sarah Thorpe, to chat through this exciting new programme and how you can get involved.

Contact details 01945 430930 or clerksupport@norfolcalc.gov.uk

Active support from your locally based co-ordinator

One-to-one guidance follows the induction training event for new volunteers.

Also, free training, expenses, insurance and recognition of volunteering commitment.
