

Useful Contacts for Public Rights of Way and access

issues (follow up from Norfolk County Council webinar 25/1/22)

Norfolk County Council contacts

- To find out about a range of information about countryside access in Norfolk
[Out and about in Norfolk walking and cycling - Norfolk County Council](#)
- To report a problem or issue on a PRow or Norfolk Trail
[Report a problem - Norfolk County Council](#)
- For general enquiries about Trails (not problems, faults, or emergencies)
norfolktrails@norfolk.gov.uk
- Specific information about national trails
[Peddars Way and Norfolk Coast Path Information - National Trails](#)
- To contact NCC team about Service Delegation Agreements (where PCs take on responsibilities for path cutting)
benjiman.grapes@norfolk.gov.uk
- To contact the Experience Team
Experience@norfolk.gov.uk
- To make enquiries about widening community engagement, training and support
lee.cozens2@norfolk.gov.uk
- NCC Monument Project (supporting carers of people with dementia to access the outdoors) [MONUMENT Project - Norfolk County Council](#)

Other useful contacts for Prow:

Norfolk Local Access Forum [Local Access Forum - Norfolk County Council](#)

Pathmakers (charitable arm of NLAf) [Pathmakers - Pathmakers](#)

Contacts of other Parish Councils willing to support other PCs:

- Simon Fowler (Chair of Little Dunham PC and Chair of Path Makers)
simonfowler5@gmail.com
Simon has experience with Permissive Paths and Service Delegation Agreements.
- Martyn Barr – Briston PC impactpr@me.com
Martyn was involved in creating the parish paths leaflets and information boards for the village and is a professional designer and writer who can also offer his services to other PCs (esp. mapping).
- Other parishes that are advanced in creating footpath leaflets and increasing local engagement:
[Stoke Ferry Parish Council – Proud to be serving your local community Home |](#)
[Roydon Parish Council \(norfolkparishes.gov.uk\)](http://roydonparishes.gov.uk)

Brilliant Norfolk network of local organisations, charities and community groups around sustainability, access to the countryside and nature connection:

[Norfolk Green Care Network | Connecting People with Nature \(ngcn.uk\)](#)
