

Fuel and Energy support

Stay well and warm this winter Norfolk County Council web pages:

[Stay well and warm this winter - Norfolk County Council](#)

Norfolk Community Directory including:

Warm homes fund listing on the NCD

[Warm Homes Fund | Norfolk Community Directory](#)

The Norfolk County Council webpages, **Money and Benefits**, including links to Norfolk Assistance scheme and Money Support service:

[Money and benefits - Norfolk County Council](#)

Charity Commission have a list of local parishes that provide assistance with fuel, these can be called fuel allotment or poorsland charities, you can search by parish name:

[Search the register of charities \(charitycommission.gov.uk\)](#)

This is a very local one in Breckland as an example:

[SAHAM TONEY FUEL ALLOTMENT AND PERKINS CHARITY - 211852 \(charitycommission.gov.uk\)](#)

Below is information for encouraging people to register with their water and energy providers (attached is an explanation to local councils Q & A).

How to register:

[Getting extra help with the Priority Services Register | Ofgem](#)

Auriga services produce the attached Auriga help with water and energy brochure (there is a update due anytime now, that I will share). It provides information on how to register with your energy or utility provider and any funding or support they give to those in financial difficulties:

[Home - Auriga Services](#)

Ask Bill, bill knows a thing or two about money and bills. In fact, that's why he made this page - to offer free and impartial help to those that might need it. Including Debt advice and links to benefits calculator and charities and grants:

[Home - Ask Bill](#)

Citizens Advice have put together this page which is really useful and gives debt advice for those who are struggling to pay their fuel bills, including prepayment meters, benefits who is eligible and how to apply for them:

[Grants and benefits to help you pay your energy bills - Citizens Advice](#)

Turn2us webpages: How to check your benefit entitlement, search for a grant, energy and water bills, as well as other support and information:

[Fighting UK Poverty - Turn2us](#)
